### **TOWN COMPREHENSIVE PLANNING PROCESS IS UNDERWAY**

*Next Public Meeting Scheduled for July 17*

Herndon, VA (June 28, 2007) -- The Planning Commission of the Town of Herndon is well into the process of creating a new Comprehensive Plan that will significantly impact land use, housing, transportation and the environment for the Town over the next quarter century, and citizen input is vital to the planning process, according to commissioners.

Issues to be discussed at the next public meeting, scheduled for **Tuesday, July 17, at 7pm in the Council Chambers at 765 Lynn Street**, include goals and objectives for public facilities and Dulles Rail Station areas. The July meeting is the final in a series of public meetings held throughout the spring and summer; following these meetings, a draft plan will be produced by September 2007 for Planning Commission consideration. A final draft plan for presentation at public hearings is slated for completion by December 2007.

Information on the Comprehensive Plan process is available on the Town's website, [www.herndon-va.gov](http://www.herndon-va.gov), on the "What's New" page. The Comprehensive Plan Land Use Map and a Background Report for the 2030 Comprehensive Plan are posted in "Town Services" – click on the Community Development page and scroll to Comprehensive Planning Related Links.
